SUBJECT: New Congressional Reporting Requirements

Attached for your information is a list of the new Congressional Reporting Requirements with and without their requisite due dates. As you can see this list emphasizes the arms control aspects of the legislative requirements. Sven Kraemer, NSC, suggested this be forwarded to you as reference material, and it should be of use to the ACVC for the completion of their work in this area. If you have any comments please call Barbara Foelak at 632-8478.
